FY 2018 Form 471 Application #: 181041732

Dear Ms. Dortch,

I am writing to respectfully request the FCC to grant a waiver of the Funding Year 2018 Form 471 deadline so that our Form 471 E-rate application will be considered as having been filed within the 'window'.

Reason for submitting late: I completed the 471 application with a few minutes to spare before the 11:59 PM deadline. By the time I could enter the certification, the window closed. The date and time stamp on the application was 03/23/2018 12:00 AM. The certification was literally seconds late. Anyone using EPC on March 22 knows the system was extremely slow and many times I could not even log into EPC. The agreement was bid properly and signed according to E-Rate rules. I am certain I would have met the deadline if EPC had been available all day and not running so slow. The certification stamp was 03/23/2018 12:00:37 AM.

Not receiving the E-Rate funding will substantially impact the operation budget of Lumen Christi High School. The students should not suffer because of my oversight.

I request that the 471 be considered as having been filed within the window.

We realize that previous precedent is for the Commission to grant Form 471 deadline waiver requests if the Form was submitted within 14 days of the Form 471 deadline. In light of the reasons stated above, we respectfully request the FCC view these extenuating circumstances as good cause to waive the Form 471 deadline for this application.

Thank you for your consideration of our request.

Respectfully submitted,

Stan Wykosky, E-Rate Manager
